COMBO FORMED VINYL CASE/STAND comprises two components:

1. **THE FORMED VINYL CASE** incorporates a handle, double arm straps and an attachable shoulder strap. This case is dockable with the X-Stand.

2. **THE ATTACHMENT STAND** provides a stand to use the Xplore with a keyboard and mouse. The Xplore can be left in the Formed Vinyl case which clips onto the Stand.

THE ATTACHMENT STAND folds into a compact bag for carrying the Xplore using the shoulder strap or handle on the Formed Vinyl case.
